

Griha Summit 2016 at New Delhi

GRIHA Summit 2016 is being held from February 16-20, 2016 at New Delhi. The theme of the four day summit is 'Cities of the Future' where issues ranging from combating climate change by Indian cities to leading them into a sustainable future, will be discussed. It is powered by Parryware in association with The Energy and Resources Institute and Ministry of New and Renewable Energy.
