About us

“JohnsonSuisse is more than a bathroom solution provider”.

The company

MALAYSIA

50 YEARS
OF LEAD

For over 50 years, **JohnsonSuisse** has been a leading brand name in the Malaysia sanitary ware industry providing homes, businesses and industries with a complete solution for bathroom products. In 2006, the company was acquired by Spain's ROCA Corporación Empresarial S.A.

Guided by its parent company the ROCA Group - one of the world's leaders in the bathroom industry, operating in over 170 international markets, **JohnsonSuisse** has become a major supplier of commercial sanitary ware throughout Asia Pacific, Middle Eastern and the Australian market.

Roca is constantly looking into enhancing and strengthening the **JohnsonSuisse** brand name and its presence locally and internationally. The **JohnsonSuisse** brand has become the reference point for consumers and professionals.

In 2016, Roca established a modern spacious 8,000 square feet Roca Experience Centre, showcasing the extensiveness of the **JohnsonSuisse** products. **JohnsonSuisse** sanitary ware are made from durable, scratch-resistant vitreous china, and are polished with high quality glaze, which carries a lifetime warranty against manufacturing defects. To date, **JohnsonSuisse** range of commercial and residential bathroom products are widely used in prestigious buildings, hotels and residential projects worldwide.

JohnsonSuisse is more than a bathroom solution provider. It's a space, it's an idea, it's an activity, it's the new lifestyle.

It's bathroom redefined.

Brand Values

JohnsonSuisse 5 E's

1

ENHANCER

We improve lives and lifestyles. We cleanse not just the body, but the mind and the soul as well.

2

EXPERIENCED

We are a Malaysian brand that has been in the homes of many since 1964. We are a pioneer and thought-leader who is well respected

3

ENTRUSTED

Our strong heritage as a total bathroom-solution provider assures our customers of our quality products. We are a Malaysia-made brand backed by a global giant, Roca.

4

ESSENTIAL

We take pride that we are an essential part of your life. We have something for each and every one of you.

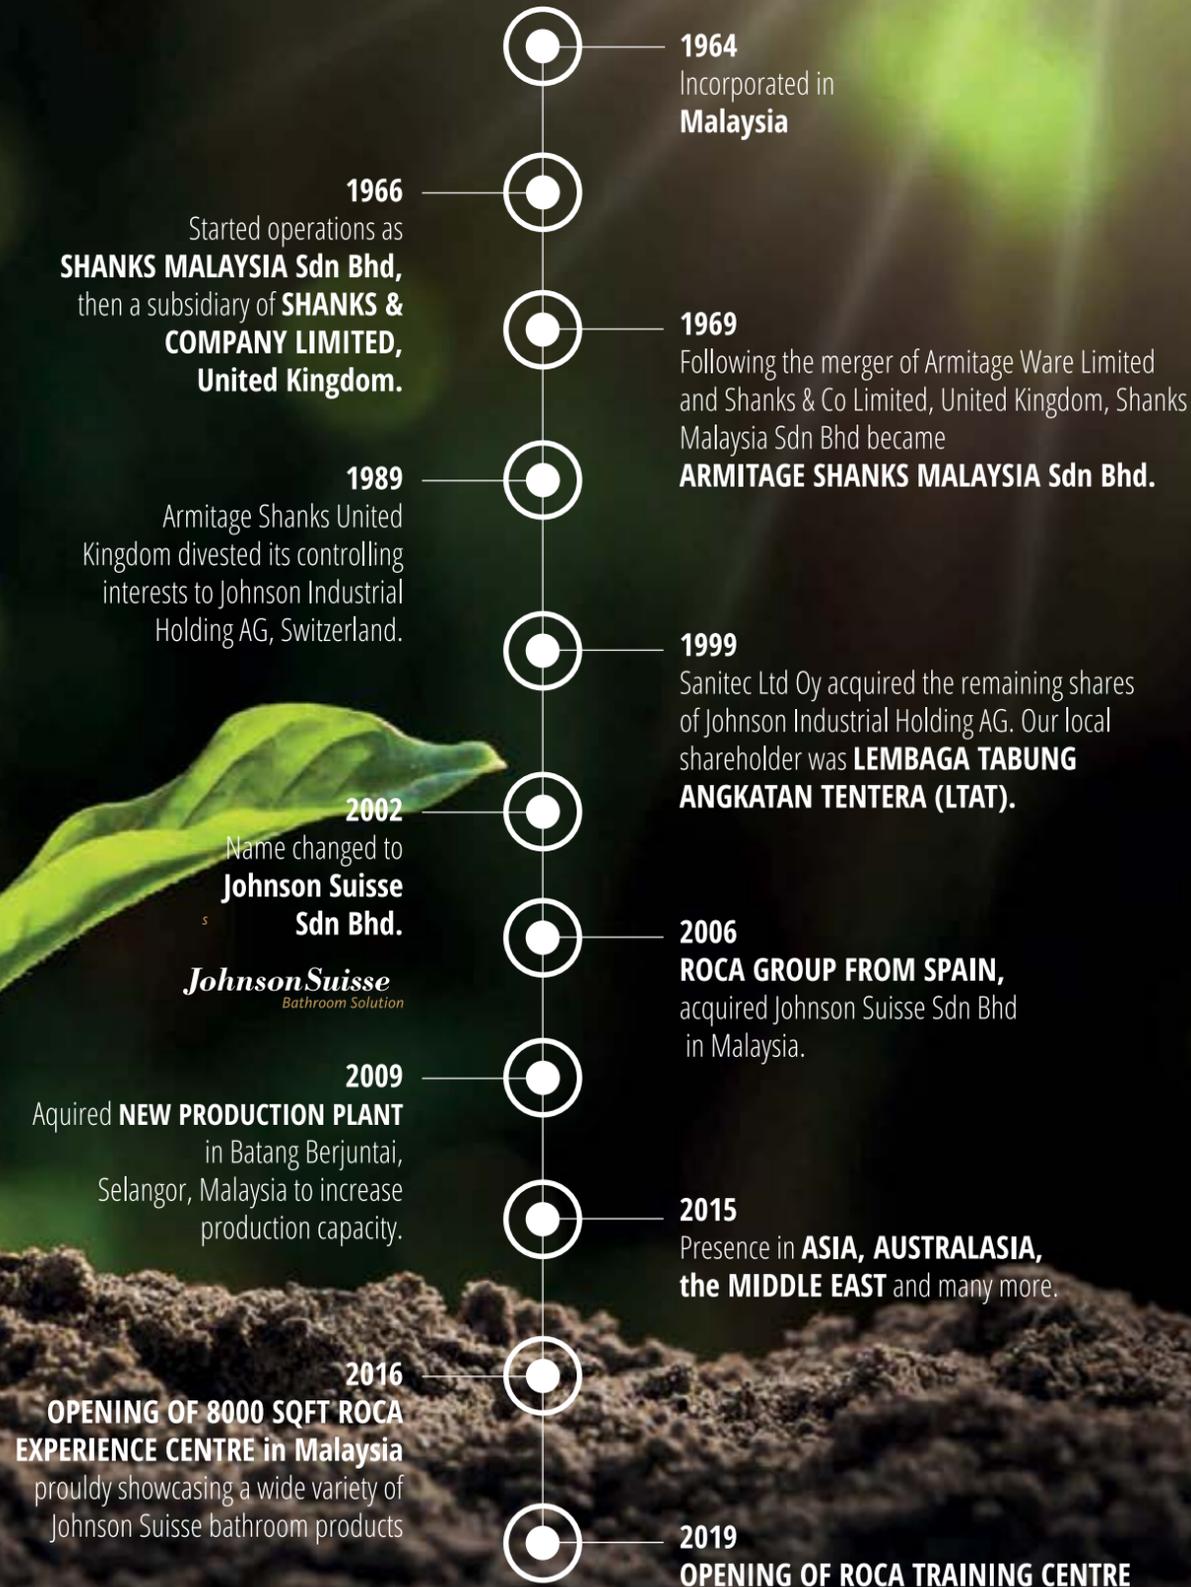

5

ENVIRONMENTALLY-FRIENDLY

We care for the earth by optimizing water usage and minimizing water wastage. We are proactive, willing to take initiative and go one step further to protect the environment.

The Beginnings

Milestones

Research & Development

Finishing Touches & Quality

As time progresses, the new becomes the old. As such, research and development is never ending. Everyday at **JohnsonSuisse**, we desire to be better than yesterday - to constantly raise the industry standards to evolve.

JohnsonSuisse invest a lot of time in research and development. Just as the sun would rise and set everyday, our commitment to constantly improve is unfaltering. New designs and pieces are subject to tested to ensure it's usability, durability as well as its aesthetic value. Familiar and common pieces are revisited and revised. We are constantly changing for the better.

Malaysia

Certified Quality

JohnsonSuisse demanding research and design criteria to its products, along with strict certified quality control mechanisms. It has been a pioneer in obtaining different certificates and approvals that endorses our commitment to quality: approval for sanitary fittings, steel and acrylic baths, not only in Malaysia but also on an international level.

Export of **JohnsonSuisse** products to other countries are carried out following the requirements of the recipients country and after having received the approval of the quality certifies of the country of destination. Thus, apart from holding Company Registration Certificate, in compliance with the ISO 9001 international regulations, **JohnsonSuisse** holds those responding to the national and international regulations of the numerous markets where **JohnsonSuisse** is present and where it enjoys considerable prestige.

International

Energy Efficiency & Sustainability

Our factory production processes are governed by a systematic series of sustainability measures applied to all our products.

We take care of the details of all materials used, always respecting the environment and all living beings on the planet. Such actions are applied to all our production processes and eventually to all our products. Our tap-fittings feature innovative water saving systems such as flow limiters, which reduce the unnecessary use of water and save money, one of our most precious resources.

Environment Protection

Our products comply with the necessary requirements to qualify for certificates such as Green Category. We encourage the responsible use of water and natural resources. More and more **JohnsonSuisse** products include these improvements in the field of sustainability.

Malaysia

Singapore

Keeps Growing Expanding

The **JohnsonSuisse** brand has become the reference point for consumers and professionals alike in Malaysia and Singapore, and its products are specified in prestigious hotels and housing projects in Hong Kong, China and Sri Lanka, amongst others.

JohnsonSuisse's bathroom solutions are marketed through a network of local distributors. A sizeable portion of the company's products are also exported to Singapore, China, Hong Kong, Brunei, Philippines, Cambodia, Vietnam, Myanmar, Pakistan, Sri Lanka, Taiwan, Australia, New Zealand, Papua New Guinea, Maldives, Mauritius, UAE, Saudi Arabia, Lebanon, Qatar, Nigeria, Bangladesh, Iraq and Chile.

Bathroom Furniture

Bathroom furniture spices up the elegance of the bathroom and puts good space to good use. Furniture like vanity cabinets is vital as the centre piece of the bathroom and for keeping your bathroom clutter-free. It is important to choose furniture that is durable, waterproof and looks good even after some time.
